Welcome to the project page of Residencial Son Duri

This page was created to keep you updated on the progress of our project in Portopetro.

Here, you will find regular updates with photos, key details, and milestones from each stage of the construction. Our goal is to provide you with a clear and transparent view of the project's progress. We are dedicated to meeting the established timelines and delivering a result that meets your expectations.

Thank you for your trust, interest and your decision to be part of this project!

&nbsp;
